Whoaaa. Alright.

Why don't you love me like you used to?
Why don't you love me like you used to?
Well, I've tried so hard to see what makes you happy
but, all i found was that it sure ain't me
so tell me, why don't you love me like you used to?
why don't you love me like you used to?

There was a time
that i thought
my world revolved around your sun
hindsight says i'm not the only one
so tell me, why don't you love me like you used to?
why don't you love me like you used to?
well, it takes a little getting used to being alone
but i'll be better off on my own
i'll find myself a little Texas rose
and spend some time out in the zone

well goodbye, good luck
i'm sure that things will work out fine
in your world
i'll be alright in mine
but tell me, why don't you love me like you used to?
why don't you love me like you used to?
