"Beautiful"

Visit "[Beautiful](#)" on MotoLyrics.com

An Innuendo of things to come,
A growing, starlet, fascination with the sun
A complication when worlds collide
The ebb and flow of emotion builds up inside

Just leave me alone 'cause I'm not all right
Just leave me alone

You're beautiful, it's gonna take a lot of time just to get
my mind re-aligned
You're beautiful, out of sight doesn't necessarily mean
out of mind
You're beautiful, ah ah ah ah
You're still beautiful to me and always will be

You take me away from this place
You turn me right around from what I've got to face
Where will we be when this is over
Will the music break us down or will it make us stronger

Just leave me alone 'cause I'm not all right
Just leave me alone
'Cause you're beautiful
