Dear it seems to me you're having a hard time letting  
go  
You watch every sunset hoping that one day he'll climb  
back through your window  
And hold you tight, all through the night, and never let  
you fall  
But now we're standing at the edge of it all

Don't be too scared  
She's come prepared  
For more than a broken heart  
It's too late to be strong  
Yeah, she can't hold on  
To someone who's incapable of love

Girl it seems to me you're loving all his desperate  
attention  
We watch you from the sidelines as he pulls your heart  
in every direction  
You trust his word, that once free bird  
Oh that you loved to be  
Is thrown in a cage, and never promised to be freed

Don't be too scared  
She's come prepared  
For more than a broken heart  
It's too late to be strong  
Yeah, she can't hold on  
To someone who's incapable of love

Look in the mirror what do you see  
A girl who was once, so so happy  
Until that boy came and changed her life  
He's the reason, she's losing sleep tonight

Don't be too scared  
I've come prepared  
For a broken heart  
It's too late to be strong  
I can't hold on  
To someone who's incapable of love

Incapable of love  
Incapable of love
