If I do not make it home tonight, then I never wanna do
And if things do not feel completely right now, I'm
never going to

What's taking me over, is bringing me down
I feel me watching like your make believe face in the
sky
Now I'm running on empty I'm trying this over
I feel me watching like your make believe face in the
sky

If I forget just who I am, won't you let me know?
And if this got completely out of hand now, would you
get up and go?

What's taking me over, is bringing me down
I feel me watching like your make believe face in the
sky
Now I'm running on empty I'm trying this over
I feel me watching like your make believe face in the
sky

I don't wanna make believe in you (oh, oh)
No, I don't wanna make believe in you (oh, oh)
No, I don't wanna make believe in you (oh, oh)
No, I don't wanna make believe in you!

If I do not make it home tonight, then I never wanna do
And if this does not feel completely right now, then it's
never going to

What's taking me over, is bringing me down
I feel me watching like your make believe face in the
sky
Now I'm running on empty I'm trying this over
I feel me watching like your make believe face in the
sky

No, I don't wanna make believe in you (oh, oh)
No, I don't wanna make believe in you (oh, oh)
No, I don't wanna make believe in you (oh, oh)

No, I don't wanna make believe in youâ€¦!
