### "Never get Used"

It's hard for me to say  
These words out aloud  
So I'll whisper in your ear  
While you tear my heart out

I could never get used to you  
not being around  
I want to be

It's always raining  
I'm always pouring out my soul  
We're always fighting  
and it's always all my fault  
I'm sick of feeling  
Like I'm losing self-control  
It's always raining  
And it's always all my fault

I want to be you I want to see me being me  
I want to use you I want to feel like you hate me
