I'm sorry if i hurt you
You know i didn't mean
And even though i always do
i never see it coming
and i never want to

I'm sorry if i lied to you
I'm sorry if i let you down
I know i've been a disappointment to you
and I'd understand if you didn't want me around

[chorus]
But I'm 10 seconds from a nervous break down
10 seconds from losing my mind
in 10 seconds you dont wanna be around X2

The grass is always greener
on the other side of man made walls
the air is always cleaner
and the sun will shine brighter
after the river rain fall

and these are the craziest days
I've ever known
and these are the scariest times
maybe i haven't been my own

[chorus X2]

hey, i don't wanna spend a minute without you X4

[chorus x4]
