well i've seen through the eyes of others  
And i'm not good with ex-lovers  
talk it down through and through  
what should i do i asked your friend  
when i'm eating with you i'm an utter disgrace  
cos i get more food on my face  
proposed to you with a diamond ring  
managed to drop it down the sink

i'm jsut a hopeless romantic  
sorry for wasteing your time  
i'm just a hopeless romantic  
sorry for wasteing your time

well everyone has said  
that deep deep down our love is a crime  
all the people say that deep deep down its the same  
old lines  
all your friends said take a chance  
but you havent yet seen me dance  
if you love me just this once  
be your hopeless romantic given a chance

i'm just a hopeless romantic  
sorry for wasting your time  
i'm just a hopeless romantic  
sorry for wasting your time
