Despite What I'm Told I'll Walk against the Crowds
I don't care what you think of me,
cos your the scum of society
but when I'm dejected I'll Rise Unaffected

Woah woah! I'm the last man standing,
fuck society, u think u can bring me down
so dont take me on
woah woah im the last man standing

all our lives people tell us what to do
make up your own mind,cos you are you
if ur different, people to tend to stare,
well fuck you, cos we dont care

woah woah im the last man standing
fuck society u think u can bring me down,
so dont take me on
woah woah! im the last man standing

woah woah! I'm the last man standing x 11
