Did you ever have something  
That you wanted to say  
Never had the guts to speak your mind  
And have it any other way  
I don't know I was told and this is sound advice  
Get a beer down your neck and this is what we say  
I don't need it don't fucking make me  
I don't need it, I can't stand it None of us need it  
- Drink a bit more beer And this is what we'll say  
I don't give a fuck This is what we say  
Is there something you needed to do and now's the  
time  
Save courage up and use that line  
And every single day this is the time today  
All together, THIS IS WHAT WE SAY!  
LA, LA, LA, LA, LA  
LA, LA, LA, LA, LA  
OI-OI-OI
