If there's anything you need,  
All you have to do is say  
You know you satisfy everything in need  
We shouldn't waste a single day

So don't stop me falling,  
It's just a little calling  
A power I just can't deny  
It's never changing,  
Can't you hear me, I'm saying  
I want you for the rest of my life

Together forever and never to part,  
Together forever, we two  
And don't you know I would move heaven and earth,  
To be together forever with you

Ain't no mistaken,  
It's true love we're makin'  
Something to last for all time  
It's never changing,  
Can't you hear me, I'm saying  
I want you for the rest of my life

Together forever and never to part,  
Together forever, we two  
And don't you know I would move heaven and earth,  
To be together forever with you
