You raise me beyond the skies, into a city of eternal
light
Looking down on the stars, I fly into heaven, caught up
in your arms
I Breathe Your fragrance, taste your goodness,
Crumble to pieces
Into Your love
In Your presence all my existence
Crumbles to pieces
Into Your love
I'm speechless what can I say
Words become tears
As You wipe them away
All my kisses and crowns at your feet
Fire of heaven burn love over me
It's such a beautiful story
I'm face to face with the King of glory
You rescued someone unworthy
I know this is love
