AHHHH!

Going to the casino, tomorrow night [x2]

What could possibly go wrong [x4]

Going to the casino, tomorrow night [x2]

(C-c-c-c-c-c yeah) what could possibly go wrong [x4]

(C-c-c-c-c-c-c)

Then it hits me, that no one's in love with me [x2]

Then it hits me

That no one's in, with me

Going to the casino, tomorrow night [x2]

G-g-g-g to the casino, t-t-t-t tomorrow night [x2]

(C-c-c-c-c-c yeah) what could possibly go wrong [x4]

(C-c-c-c-c-c-c)

Then it hits me, that no one's in love with me [x2]

Then it hits me

That no one's in, with me

I got nobody, now I got no money

I got no money, now I got nobody [x4]

Going to the casino!
