To the ones whos dreams have fallen all apart
and all your left with is a tired & broken heart
I can tell by your eyes that you think your'e on your own
but you're not alone

have you heard of the One who can calm the raging
sea
give sight to the blind, pull the lame up to their feet
with a love so strong and never let you go
no you're not alone

You will be safe in His arms
You will be safe in His arms
because the hands that hold the world
are holding your heart
this is a promise He made
He will be with you always
when everything is falling apart
you will be safe in His arms
Did you know that the voice that brings the dead to life
is the very same voice that calls you now to rise
So hear him now, he is calling you home
You will never be alone

You will be safe in His arms...(repeat above)

These are the hands that built the mountain, the hands
that calmed the sea, these are the arms that hold the
heavens, they are holding you & me, these are the
hands that healed the leper, pulled the lame up to their
feet, these are the arms that were nailed to a cross to
break our chains & set us free!

You will be safe in His arms...(repeat above)

Safe in His arms...
Safe in His arms..

You will be safe, you will be safe, when everything is
falling apart you will be safe in His arms
