Dance

Don't hold up the wall come on you know you here your
song playing move on the floor lets go-o

To-night it's all on you where the music takes you
withing your body this partys callin your name hey so

Get up get movin put your hands in the air party like we
don't have a care in the world just let it take you there
let your heart beat the dace floor and go with the
rythem rythem you better move move move with the
crowd you better groove groove show how you get
down just let it take you there let your heart beat the
dance floor and go with the rythem rythem move with
the crowd.

I don't care there's a reason why your here let the
sound fill up your ear till you lose control oh oh

Feel the mood the scene is set for two the spotlight fills
the room oh oh the drum kit makes the boom boom
boom boooooom

Get up get movin put your hands in the air party like we
don't have a care in the world just let I take you there
let your heart beat the dance floor and go with rythem
rythem you better move move move with the crowd you
better groove groove show how you get down just let it
take you there let your heart beat the dance floor and
go with the rythem rythem move with the crowd

Sing it with me all together hand in hand lets
remember move your body what you came for wanna
see you on the dance floor x2

Tell the DJ turn it up off the wall move you feet show it
off

Pop it pop it lock it lock it show me how you rock it rock
it don't stop it don't stop it Na na na na na

Get up get movin put your hands in the air party like we

don't have a care in the world just let it take you there
let your heart beat the dance floor and move with the
rythem rythem you better move move move with the
crowd you better groove groove show how you get
down just let it take you there let your heart beat the
dance floor and go with the rythem move with the
crowd

Move with the crowd

Move with the crowd

Go with therythem, rythem, move with the crowd.
