we want to satisfy the people. we want to satisfy the  
people.  
we want to satisfy the people. we want to satisfy you!  
we want to satisfy the people. we want to satisfy the  
people.  
we want to satisfy the people. we want to satisfy you!  
you thought we would let you down?  
but guess who's back for the fuckin second round?  
what a scenario. what do you got in your stereo?  
tell me, do you hear me, though?  
my voice right now on album no. two!  
4 fuckin-what?  
4 fuckin lyn!  
so fuckin what?  
let me begin!  
we came to ease the pain, and we drink sweat instead  
of champagne!  
what's next on the menu?  
blood on the floor when we leave the venue!  
attack of the restless! do you wanna test this?  
we don't give a fuck who the best is!  
we do what we gotta do! we say what we gotta say!  
we bleed like the everyone of you... each and every  
fuckin day!!  
if you had luck, but lost it, trust in the band that rocks  
the moshpit!
