What a wonderful â€¦  
What a wonderful day  
What a sunny day  
What a day without rain  
All clean! All me!  
Check my shiny suit  
Tuxedo libido â€¦ 100% good  
Dirty business money in the bank  
I roll over bodies and I'm just like a tank  
Yes I'm an asshole but I get paid well  
Buy what I sell or just go to hell

Chorus:  
I'm the asshole of the week  
Tyrant of the week  
Silent when I sneak motherfucker  
I'm only worth of what people pay me  
Nothing in life is free

(2x)  
Oh what a poor boy

I move alone  
I ain't get no friends  
But who needs friends when you got Mercedes bentz  
Teeth whiter than white  
Rents higher than high  
Yeah I got a small dick but a million dollar smile

Chorus

(4x)  
Oh what a poor boy you are

Chorus
