so you want to be a superstar
and you want to be made?
don't forget about the consequences
don't forget about your fate
so you trie and you lie and you cry and you hide what's
inside your mind all for the money

bla bla bling bling blow blow bleed bleed bleed bitch!

Chorus:
here today and gone tomorrow
that's how it is
and how it alwy was
now go away and drown in sorrows
you've had your fame tell everyone how good it was
go ...

so you feel it aint real but you're dealing with feelings
of millions and fool them for their money?

bla bla bling bling blow blow bleed bleed bleed

and you go with the flow and you know that the show
that you're playing
is played out but you want money?

bla bla bling bling blow blow bleed bleed bleed bitch!

Chorus

you feel pain and got lameand there's noone to blame
you've got lost in the game for all the money?

bla bla bling bling blow blow bleed bleed bleed

you're addicted to coke but you're broke as a joke?
at the end of the road there is no more money

bla bla bling bling blow blow bleed bleed bleed bitch!

that's the ending of a superstar that wanted to get paid
but now it's too late

Chorus
