I got my own attitude and I've got my pride.
I got my own point of view!
I got my priorities and I've got rights.
Sometimes I've got something to hide.
I'm a human being, flesh and blood.
I can run for myself!
I can jump for myself!
I don't need your help!

Chorus:

Is it hard to believe?
To believe someone like me?
Tell me, why should I say something untrue?
Can I say what I feel?
Feel, what I think is real?
I don't care if you don't care...
I think it's fair like that!

I got my own problems.
I don't need you to solve them!
I got a vision and a plan!
I've got my own sense of humor
and no ears for your rumors,
but I don't think you understand
that I'm a human being...
Heart and brain!
I can breathe for myself!
I can bleed for myself!
I don't need your help

Hey you! What's that sound?
Don't you hear me scream around?
I said...
Hey you! What's that noise?
Hear the anger in my voice!
Hey you! Just step back!
You don't want me to attack!
I am what I am what I am...
If you like it or NOT!

Is it hard to believe?
To believe someone like me?

Tell me, why should I say something untrue?
Can I say what I feel?
Feel, what I think is real?
I don't care if you don't care...
I think it's fair like that!
