Hey mr. Pootbutt, mr. knowitbetter
With a donkeyhat and yo name on it, u would look
much better kid, yo. I am so tired. dont want 2 hear ya
no more, no more
Dont want 2 see ya no more, no more
So if u wanna go, then just go, yo.
Fukk u !and take da rest of ya crew wit cha..
Disapointed, what? Cuz ya face is not on our picture
YO, u had da chance, but u gave it away
And i am so happy we ll never make it like u use 2
say

Sorry boy-but we are too busy right now, handelin
business the best way we know how

Sorry boy-u r no longer our guest, u gotta a kick outta
house, so dont stress, baby..

TURN AROUND! KEEP YA FACE DOWN AND GO AWAY!
Dont look so sad sunshine
Better days are about 2 come
Stand up early 4 yo firm and get yo job done
While we are chillin on tv u are chillin on ya chair
And while we are havin tonz of fun u got ya miserable
carriere This music will never sell, thats what u said But
that has never been the point So stop bein mad If we
never sell a copy, that s alright with us and If we will
never get a trophy, thats aight wit us

Sorry boy- but we are too busy right now. Handelin
business the best way we know how

Sorry boy - u r no longer our guest u gotta kick outta
house, so dont stress... (u gotta kick outta house so
dont stress!!!) TURN AROUND, KEEP YA FACE
DOWN....AND GO AWAY!!

Believe me, your choice to go was the best thing that
yould ever happen to us Nobody is missing you at all.
That s for shure...

Keep your hands off

Keep your eyes off
and
Fuck off
