She's liquid, she's burnin, hey.
She is fire, she's drippin, hey.
She's fakin' my reality
When she moves through blakk and white.
She's tiny, no, she's 10-feet tall.
She's ugly, no, she's a porcelain doll.
She's stukk up, no she looks at me.
As far as I can see

Down, down, down
Don't follow me around, round, round.
I'm waiting for the kisses of the strobelight.
Don't go, cause it's gonna be quite a ride.
Please just kiss me one more time.
It's all I ever wanted.
Don't you let me sleep alone tonight.

I see her, she's invisible.
She's sweet, but she looks miserable.
She's gracious, fascinating
Like I am hallucinatin'.
She's dirty, she's squeaky clean.
So friendly, but she's so mean.
She's a saint
She's a sinner, hey
As far as I can see

Down, down, down
Don't follow me around, round, round.
I'm waiting for the kisses of the strobelight.
Don't go, cause it's gonna be quite a ride.
Please just kiss me one more time.
It's all I ever wanted.
Don't you let me sleep alone tonight.
Please dismiss me if I'm lyin'.
You're all I ever wanted.
Don't you make me sleep alone tonight.

She runs, crawls,
Old, young,
Moves, stands still,
Dirty, clean,

Easy, complicated,
Blakk, white,
Sweet, bitter,
Devil, goddess,
Silence.
Don't go, cause it's gonna be quite a ride.

Please just kiss me one more time.
It's all I ever wanted.
Don't you let me sleep alone tonight.
