Is there anybody out there
That holds the key to get me out here
Because I'm stukk, runnin' outta lukk
And all the doors are lokked.
I want but can't pay attention
That's why I always keep on asking.
I'm sikk of this place,
Want to leave without a trace
With a smile upon my face.

I feel unhappy
I feel unneeded
I feel misunderstood
I feel so unreal
I feel unwanted...unwanted

Chorus
I'm breakin' down
Everyone around
Is bangin' on my eardrums without any sound.
When I raise my head
I don't feel like a man.
I'm feelin' like a stranded alien again.

I look but I can't see.
I hear but I can't understand.
Would anybody miss me?
If I left, would you give a damn?
God knows I try to be the best that I can be.
But something holds me bakk
Something I can't see!

Chorus
I'm breakin' down
Everyone around
Is bangin' on my eardrums without any sound.
When I raise my head
I don't feel like a man.
I'm feelin' like a stranded alien again.

I feel unhappy
I feel unneeded

I feel misunderstood
I feel so unreal
I feel unwanted...unwanted like you!

Chorus

I'm breakin' down
Everyone around
Is bangin' on my eardrums without any sound.
When I raise my head
I don't feel like a man.
I'm feelin' like a stranded alien again.
