I loved you, no question.  
Just us, no second guessin'.  
When it came to loyalty we had substance and the right  
strategy.  
I hate you for sure!  
There's no "you and me" no more.  
This wound you cannot heal.  
No love, no trust if there's no deal!

Chorus

Take it as a compliment  
That I don't freak out on you  
That I smile the way I always do.  
All the time you lied to me  
Hear me laugh inside of me  
'Cuz the only one who played himself is you.

We were brothers to the blood.  
Nothing could come between me and my "buddy"  
Me and my "friend" me and my "brother"  
But now these memories make me wanna throw up!  
I wish you would have seen, how I've felt and where I've  
been.  
From heaven to hell and bakk  
But now I laugh about the way that you act!  
So, you thought it was cool - to treat me like a fool  
When yourself is the idiot?  
Wake up and smell the coffee!  
Phrasing.  
Don't think! Don't speak!  
Just bakk up off me!

Chorus

Take it as a compliment  
That I don't freak out on you  
That I smile the way I always do.  
All the time you've lied to me  
Hear me laugh inside of me  
'Cuz the only one who played himself is you, you, you,  
you...  
Take it as a compliment  
That I don't freak out on you

'Cuz the only one who played himself is you!
