"Bouncin' Around The Room"

The woman was a dream I had
Though rather hard to keep
For when my eyes were watching hers
They closed and I was still asleep

For when my hand was holding hers
She whispered words and I awoke
And faintly bouncing around the room
The echo of whomever spoke
I awoke and faintly bouncing around the room
The echo of whomever spoke

The place I saw was far beneath
The surface of the sea
My sight was poor but I was sure
The sirens sang their songs for me

They dance above me as I sink
I see them through a crystal haze
And hear them bouncing around the room
The never ending coral maze
That time and once again
I'm bouncing around the room
