Walkin' cross the lawn, lawn, lawn, lawn, lawn, lawn,
lawn
Walkin' cross the lawn, lawn, lawn, lawn, lawn, lawn,
lawn
I've been walkin' cross the lawn
I've been walkin' with a dog dog dog
Walkin' cross the lawn, lawn, lawn, lawn, lawn, lawn,
lawn
I've been walkin' cross the lawn
I've been wonderin where my dog done gone
Stepped upon a long, long, long, long, long, long, log
Stepped upon a long, long, long, long, long, long, log
Stepped upon a log, Walkin' through the fog fog fog
Stepped upon a long, long, long, long, long, long, log
Dog log is here
I knew if she was near it was still steamin'
Its Holdsworth!
Holdsworth!
Holdsworth!
Holdsworth!
Walkin' cross the lawn, lawn, lawn, lawn, lawn, lawn,
lawn
I've been walkin' with a dog, dog, dog.
Walkin' cross the lawn, lawn, lawn, lawn, lawn, lawn,
lawn
I've been walkin' cross the lawn
Walkin' cross the lawn
I've been wonderin where Holdsworth done gone
Where's my dog gone?
Where's my dog gone?
Where's my dog gone?
Gone Gone Gone Gone Gone Gone
Gone Gone Gone Gone Gone Gone
