[Bow Wow - talking]

Oh, oh

Uh huh, uh huh, oh

Let's take a pause for a minute

Let's go (*laughing*) (I)

Check it out man

See man, Bow Weezy right here live and direct (OH I)

I'm talkin to ya'll young n's out there baby

Can't wait until I turn eighteen

I know it's the same for ya'll man, I know, I know (I)

I'm talkin bout pullin up in them big cars on them 22's

Naw forget that, I'm talkin 'bout Charlie Woodson's

man

I'm a pull up, I'm talkin bout 24's

It's a wrap for ya'll when I turn eighteen man

Haha, listen to the hook

[Chorus] - w/ ad libs

When I turn eighteen

I need to ride on some rims that's clean

And them brand new J's when I hit the scene

When I turn eighteen

I need a girlfriend older than me

And she gonna have to be a dime if she rollin with me

When I turn eighteen

I pull up and stop, let my system knock

They all know I'm super cool when I drop the top

When I turn eighteen

I get my crib up on my first day

And every week we celebrate like it's my birthday

When I turn eighteen

Yeah

[Verse 1 - Bow Wow]

I'm a be leanin and dippin, sittin on inches ridin

Gettin at women they lovin my every sentence

It's Weezy baby, from the truck, to the drop, to the

Coupe to the high 2's

See that ya'll, you gotta believe me baby

The game tight and the bank right

Since fame came and the bright lights

You gotta release me baby, I can't be tied up
Can't be handcuffed to no chick at the party when I ride
up
Cause I gotta mingle, I know I'm great with the lingo
but check it I gotta motivate, I just gotta be single
And yeah like when I see you, yeah like how you jingle
And yeah said I'm a ring you but baby I can't bring you
Can't wait 'til the day comes
When I wake up and I'm eighteen
Not a young pup but a big dog
And I bark loud and I switch cars
It sounds hard but it's not ya'll
When I get there that's it ya'll
Ninth day of the third month, it's on

[Chorus]

[Verse 2 - Bow Wow]

I'm up in that H2 with them wheels to match
Got them big dog speakers bumpin up in the back
Got that Snoop Dogg CD is what I insert
Roll down my windows, sounds like a concert
And on a beautiful day, I might just switch to the Rover
+So Fresh So Clean+ like Outkast, a PD can't pull me
over
I'm +Big Pimpin+ like Jay-Z, steady "Stunnin" like Baby
"I Need A Girl" like Free, mixed with some Halle Berry
And a little hood which is good like Trina to be my lady
Just call me Cassius Clay, baby cause I'm the greatest
And can't nobody my age can ever ever fade this
I'm unfadeable, I'm untouchable
I'm on a mission now, I'm in transition now
B-O-double-double-O-double, ya'll
It's Bow Wow, I'm in the house now and I'm up outta the
pound
Now listen to the hook, this how it's goin down

[Chorus]

[Bow Wow - talking]

YEAH! (*laughing*)

You know what I'm sayin?

I'm speakin for all the young ones my age

You know what I mean?

Bein told you can't do this

You can't get in here and you wanna do it

This the song right here

This the anthem for us right here, cause I'm one of
them

Always told no, you can't get in

But you know what

That's fittin to change man
Ha, when I

[Chorus] - 2X
