[Part 4 - Clod]

Tipsy fuddled boozy groggy elevated
Prime did edit her
Hellborn elfchild roadhog mountain fortune hunter
Man beheaded her
Fat bulk expanse mass lump block clod
Tipsy fuddled boozy groggy elevated
Prime did edit her

Rabid victim martyr stranded
Level headed boy, ya better bend
Soon your luscious honey sugar
Mellifluous life is gonna end

Fat bulk expanse mass lump block clod
Rabid victim martyr stranded
Level headed boy, ya better bend
