Everytime I see her, she got new fancy clothes
Everytime I see her, she got new fancy clothes
'til she took up all my money
And she threw poor me out...

Lord knows I'm standing out, I got nowhere to go
Lord knows I'm standing out, I got nowhere to go
I'm in a damn bad condition now boy
I'm a low down dirty...

Lord knows I'm standing out, I got nowhere to go
Lord knows I'm standing out, I got nowhere to go
I'm in a damn bad condition now boy
I'm a low down dirty...

Everytime I see her... all the boys in town
Until she uses up all the money
I'm sure gonna put her down
