I look into the finance box
Just to check my status
I look into the microscope
I see Golgi apparatus

Golgi, oh, woe is me
You can't even see the sea
Golgi, Golgi, Golgi, Golgi

They call him Lysosome
'Cause he runs so fast
Runs like a junkyard dog
With a brain of brass

Golgi, oh, woe is me
You can't even see the sea
Golgi, Golgi, Golgi, Golgi

I saw you with a ticket stub in your hand
I saw you with a ticket stub in your hand
I saw you with a ticket stub in your hand
I saw you under the light, middle of the night
Couldn't get it wrong

I saw you with a ticket stub in your hand
I saw you with a ticket stub in your hand
I saw you with a ticket stub in your hand
I saw you under the light, middle of the night
Couldn't get it wrong, so I had to

I saw you with a ticket stub in your hand
I saw you with a ticket stub in your hand
I saw you with a ticket stub in your hand
I saw you under the light, middle of the night
Couldn't get it wrong, so I had to

Look into the finance box
Just to check my status
Look into the microscope
I see Golgi apparatus

Golgi, oh, woe is me

You can't even see the sea
Golgi, Golgi, Golgi, Golgi
