[Break - Bow Wow]

West coast why don't ya'll just wa-walk with me  
East coast just Harlem shake sh-shake with me  
Midwest just chickenhead - the head with me  
Dirty South just b-b-bounce b-bounce with me

[Chorus - Bow Wow]

I'm b-a-c-k (OH)  
I'm b-a-c-k (OH)  
I'm b-a-c-k (OH)  
(\*scratch noise\*) (Bow, Bow, Bow Wow)  
I'm b-a-c-k

[Verse 1 - Bow Wow]

Me fall off? dog you can't be ser-ious  
Cause I've been doin this since I was in baby dia-pers  
All my life this talent been pumpin in my veins  
I know these girls is happy that I'm back in the game  
While I was gone the question was "when ya album  
come out?"  
Another one to go cop so ya'll could scream and shout  
Been away for a minute, negotiatin some deals  
Discussin some business on how I can make mils  
Man it feels good to know that ya fans love ya  
I've been flyin back and forth just meetin with Warner  
Brothers  
You know, sitcoms is gonna be on your TV's  
So all the Bow Wow fans could see me on GP

[Chorus]

[Verse 2 - Bow Wow]

Every dog has his day, so right now be mine  
I ain't no unpolished, I'm a polished diamond that shine  
Had to retire my Mickey Mouse, I'd gotten too old  
Peachfuzz on my lip, homeboy I'm grown  
I'm that Eastside, East savin, 6-1-fo' reppin  
Girl getter, playboy, the flow got better  
Look at me on top, number one is my rank  
I'm enjoyin sittin back, watchin ya'll MC's sink  
Uh a huh, you see that Z? that's me inside

I blow chicks' minds, when they see me pushin the ride  
I'm back and dog I ain't cuttin no slack  
I'm back for my homie (yeah), ya heard that?

[Chorus]

[Verse 3 - Bow Wow]

Oh, you want some advice? well without a doubt  
Dog don't come out when Bow Wow's out  
When I spit, my rhymes be as sharp as a dart  
Another album that's fittin to shoot straight up the  
charts  
Number one videos straight to "106"  
Every suburban middle American gonna be bumpin this  
See I'm real, don't worry I got it on lock  
When the boy wonder's around, I shut down shop  
Huh, rapper slash, actor slash  
I cause total chaos, I got it in a smash  
Homie ain't nobody hotter, told you that I'm back  
And I'm goin back for the whole enchilada, you got it

[Chorus]

[Break]

[Outro]

(\*scratching noise\*)  
(\*scratched\*) "Bow, Bow, Ba-bow Wow"  
(\*scratching noise\*)  
(\*scratched\*) "Bow, Bow, Bow, Bow"

I'm b-a-c-k

(\*scratching\*)  
(\*scratched\*) "I'm back, back"

I'm b-a-c-k  
(\*scratched\*) "I'm back"  
(\*"back" and "Bow" - are repeatedly scratched)

{\*"I'm b-a-c-k" - repeated until the end - w/ ad libs\*}
