Sunrise over the turquoise mountains, messenger  
birds in sight  
They came up through the valley, both sides at a time  
Through the cold steady rain Raid! I bend down  
Poke a double decker on a llama  
Llama, taboo taboo

Trigger a blastoplast, ramshackle laker recedes I start  
to run  
It was the loudest thing I'd ever heard and I knew my  
time had come  
To enter the delta

Leave it on press, depress, depress
