Sunrise over the turquoise mountains, messenger
birds in sight
They came up through the valley, both sides at a time
Through the cold steady rain Raid! I bend down
Poke a double decker on a llama
Llama, taboo taboo

Trigger a blastoplast, ramshackle laker recedes I start
to run
It was the loudest thing I'd ever heard and I knew my
time had come
To enter the delta

Leave it on press, depress, depress
Llama, taboo taboo
Leave it on press, depress, depress
