Honey, love ya honey little honey bunny Sunday
mornin'
Love ya more funny love in the skyline baby
Ice cream 'scuse me I seen ya looking good the other
evenin'.
Oh, you dig it had to smile just an hour
so if we're in love like I think we'll be
It ain't a long rhyme it took ages to think
I think I'll hurl it in the water baby.

(chorus)

Thinkin you are a nice little one
to put it all around you it's just good
I like it
I like it.
Hey Hey Hey suppose sometime that day
you won't be swingin along over across to me.

(chorus)

Good time rocker woman,
we'll stray our pieces
little creepy we shine so sleepy so whoopie!
That's how you look.
