Feeling a little drowsy yet?
There ya go, that stuff should take you right out
Ok, I need you to open up
Open wider now
That's it
Don't close
Ok, looks pretty good in there...
Thank you
Don't close
This is gonna hurt just a little bit
Hold tight, don't bite, it's OK
I'm taking it out, don't bite
I know it's hurts, but it'll be over soon
Ok, do you feel that?
It's losing you now
Don't fall asleep on me
Hold on tight
That's it
Don't close
Don't fall asleep now...
Still in there?
There we go
There we go
There we go
Almost done
Ok
How does that feel?
Still pretty out of it, aren't you?
Just relax there
I'll be back in a few minutes
Here's a tape if you wanna put on the headphones
There ya go
