Prep school hippie
Or hip school preppie
I can't decide
Should I spend my adolescent days wearing tie dyes or
Vuarnets
I can't decide
Big ten kegger at the frat
Or watching Jerry shake his fat

Prep school hippie
Or hip school preppie
I can't decide

I can't wait 'til I'm 21,
Dip into my trust fund
I can't wait 'til I'm 21,
Dip into my trust fund
I can't wait 'til I'm 21,
Dip into my trust fund
I can't wait 'til I'm 21,
Dip into my trust fund
I can't wait 'til I'm 21,
Dip into my trust fund
Dip into my trust fund
Trust fund

Prep school hippie
Or hip school preppie
I can't decide
Should I spend my adolescent days wearing tie dyes or
Vuarnets
I can't decide
I can't decide
I can't decide
I can't decide
