Everybody's building the big ships and boats
Some are building monuments and others they're
jotting down notes
Everybody's in despair, every little girl and boy
But when Quinn the Eskimo gets there, everybody's
gonna jump for joy

Come all without, come all within
You'll not see nothing like the mighty Quinn
Come all without, come all within
You'll not see nothing like the mighty Quinn

'cause I can do just like the rest and I like my sugar
sweet
Guarding fumes and making haste just ain't my cup of
meat
Everybody's feeding pigeons out on a limb
But when Quinn the Eskimo gets there, pigeons gonna
run to him

Come all without, come all within
You'll not see nothing like the mighty Quinn
Come all without, come all within
You'll not see nothing like the mighty Quinn

The cow's moo and the cat's meow, I can't recite them
all
Tell me where it hurts you, honey and I'll tell you who to
call
Everybody ain't getting no sleep 'cause there's
someone on everyones toes
But Quinn the Eskimo gets there, everybody's gonna
wanna doze

Come all without, come all within
You'll not see nothing like the mighty Quinn
Come all without, come all within
You'll not see nothing like the mighty Quinn
