It's hidden far away  
But someday I may tell  
The tale of metal tangle  
When into your world I fell  
Without you now I wander soaking  
Secretly afraid  
But in your grasp the fears don't last  
Though some of them have stayed

I wheeled around because I  
Didn't hear what you had said  
And saw you dancing with Elihu  
Up on Leemor's bed  
And I was foggy, rather groggy  
You helped me to my car  
The binding belt enclosing me  
A sample in a jar

And on the market stands unfolding  
With all their willies and their wares  
I shuffle by alert but numb  
To all the glances and the glares

And I think of you unheeding  
All the times I raise my cup  
It's now I know that you knew that  
I'd soon end up end up

I wheeled around because I  
Didn't hear what you had said  
And saw you dancing with Elihu  
Up on Leemor's bed  
And I was foggy, rather groggy  
You helped me to my car  
The binding belt enclosing me  
A sample in a jar

You tricked me like the others

And now I don't belong

The simple smiles and good times seem all wrong
