Sneaking Sally Through The Alley  
Sneaking Sally Through The Alley  
Trying to keep her out of sight  
Sneaking Sally Through The Alley  
When out pops the wife  
Well I can't find nothing wrong with being friends  
cuz sometimes she lets me use her car..

You Can't find a way to waste your time  
you better find something wrong with her  
So I begin to try to explain but there just wasnt, just  
wasnt worth a try  
wowowowow I cant find something to do with all my  
time  
Just because..  
Sneaking Sally Through The Alley  
(sneaking through the alley with Sally)  
Play it Leo!

umm.. thats jsut the beginning and its not even right.  
hahahahaha
