Hello my name is Somanatin
Please hear me out
The wolves are chasing Liana and Silvermane
Bucklebee's riding Scout

(My name is Somanatin)
Hello my name is Somanatin
(I can't get out of here)
I need my story told
(I can't get out of here)
The pixie has blown her fairy dust
(I can't get out of here)
And everything turns to gold

Flying at night through the window
The owls search for Samone
He snatches the sleeping boots from beneath the bed
Thinking it was his own
Hello my name is Somanatin
Sawing a hole in a tree
I look to my side and I see you riding on
Sparkle and Boots is free

Time and weather eroding the past in a dream

Cradle comfort that you wake but you're caught in
between
