I look at you all, see the love there that's sleeping
While my guitar gently weeps
I look at the floor and I see it needs sweeping
While my guitar gently weeps

I don't know why nobody told you
How to unfold your love
I don't know why someone controlled you
They bought and sold you

I look at the world and I notice it's turning
While my guitar gently weeps
With every mistake we must surely be learning
Still my guitar gently weeps

I don't know why you were inverted
No one alerted you
I don't know why you were perverted
No one alerted you

I look at you all, see the love there that's sleeping
While my guitar gently weeps
Look at you all
Still my guitar gently weeps
