You could do it better
Drakkar Noir
Cheap fixtures, religious tales
Light a cigarette for two
Too close to get to
How come everyone knows you before they meet you?

In the jingle, jungle
Jingle, junkie
Jungle, junglemen
A better standard than mediocre
I watch you tumble, oh

Jingle, jungle
Jingle, jump, before you stumble
I'm just the gladdest,
You know, just the gladdest
You know, know

Scandinavian leather
Drakkar Noir
Fake riches, oblivious tales,
On a domestic airline
Swear to god that you're mine

In the jingle jungle
Jingle junkie
Jungle, junglemen
A better standard than mediocre
I watch you tumble, oh

Jingle, jungle
Jingle, jump, before you stumble
I'm just the saddest and you're just the gladdest
You know, know

How I wish I knew you
How I wish I knew you from before
'Till I die [x3]
Burn the avenues, until the city unfurls
What won't we have to know?

Do we have to know what truth is?
Why I wish I knew you
Why I wish I knew you from before
'Till I die [x3]
I'm just the gladdest
You know, just the gladdest
You know, know
Oh no
