Fences in a row
Fences in a row
Wired and protected
In a row

If only
Your necessary silhouette
Unknown, join the dissidents

Got carried away
Now hiding from their lies and discords
Once remembered now forgotten
Come roll the dice for me
Roll the dice for me

Hold on better undone
If really on your own
Thinking this is fun?
Feathers fallen from drapes
Fold her into pieces
Tied up and lace

Fences in a row
Fences in a row
Wired and protected
In a row

Got carried away
Thought I would've let you know
Did you miss a message?

I know you still
Would rather mess with me than get going
She's been building up a castle in LA
Roll the dice for me

Hold on better undone
If really on your own
Thinking this is fun?
Feathers fallen from drapes
Fold her into pieces
Tied up and lace

Fences in a row
Fences in a row
Wired and protected
In a row
