Where would you go
Not long ago
I've been thinking out loud
Was it suddenly
Do-do-don't you know
Don't do it but you do it
What you do to me

Forever is a long long time
When you lost your way
Trying to follow your ideals (are sorry)
But your so-called life
It is such a waste

When you realize
No you don't realize
What you say yes to
What you say yes to

Where would you go (x2)
With a lasso
Could you run into (x2)
Could you go and run into me

Where would you go (x2)
Tied up to a lasso
Could you run into (x2)
Could you go and run into me

So lonely so pretty
Such a lack of diplomacy you can't get out
Do-don't you know
Don't do it what you do it
You should do to me

Far our so far out
Such a fall out of lonely
That you're lonely
Going not so well (x2)

Where would you go (x2)
With a lasso

Could you run into (x2)
Could you go and run into me

Where would you go (x2)
Tied up to a lasso
Could you run into (x2)
Could you go and run into me

When you realize
No you don't realize
What you say yes to
What you say yes to

Forever is a long long time
When you lost your way
Forever is a long long time
When you lost your way
