Oh these days are gone
And loud enough to hold on
I think about the time we wasted
I think about the years to come
It's getting late and I can't call
It's getting late to face it all
I think about the time we wasted
My loneliness has slowly grown
I told you not to cross the line
And leave me with
Your love for granted
The letters from your broken heart
I think I might have lost them somewhere

Ooooooh, Don't tell me 'bout your lies
Ooooooh, Don't tell me 'bout your secrets

Oh, My love is easy
You are everything I need
Now your love is gone
I want it safe and guaranteed
Our life is such a fine line
Looking at the bright line
I think about the time we wasted
For someday I'll be coming too
Tonight is dying on it's own
And now I got your love for granted
It doesn't matter right or wrong
As long as you are hiding somewhere

Ooooooh, Don't tell me 'bout your lies
Ooooooh, Don't tell me 'bout your secrets

Even though we've said it all
I would never let us fall
With you
Hang on to a little chance
You bet I'm in
If it is for better
Disillusions come after
It's true
Hang on to a little chance

You bet I'm in.
Even though we've said it all
I would never let us fall
With you.
Hang on to a little chance
You bet I'm in
If it is for better
Disillusions come after
It's true
Hang on to a little chance
You bet I'm in...
