They said that you don't
You promised too well
I'm calling my number
So that's real

Almost, almost, almost the real thing
How could I have missed that one?
How could I have missed it?

Am I the only one?
You're into love
Twenty-year-old and bored
I learn for a better future

But lover in the ocean
Drown into the throne that you sit on
Far ahh
Far, far away
Hold me for a ransom
It's not enough for you to live alone

Tell me that's what you wanted
Follow, follow me
Follow me
Follow, follow me
Follow me

You're more than I want
I figured you well
Back in September
We'll make it a deal

Almost, almost, almost the real thing
How could I have missed that one?
How could I have missed it?

Am I the only one?
You're into love
Twenty-year-old and bored
I learn for a better future

But lover in the ocean
Drown into the throne that you sit on
Far ahh
Far, far away
Hold me for a ransom
It's not enough for you to live alone

Tell me that's what you wanted
Follow, follow me
Follow me
Follow, follow me
Follow me
Follow, Follow me
Follow me
