what you got

Do I want

I don't know

is it true

all this cash

its oh so flash

What you got I need

Really I'm all about cash

Wanna know how much you can flash

Cause I don't care nonono

About the feelings

That you believe in

I got ya in the palm of my hand

Can't resist me

Just wanna hold me Kiss me

I don' care for that

So wheres this cash

I want it in my hand oh baby

I'm in love with your

Money babe iots got me in a spin

Move over,let me jump in

Cause your really cool
You get my heart going
Oh not you honey
Don't be daft
Its yo cash
Your like a puppy dog always
Following me around
Can't get rida ya
Not even when I go out of town
Your all over me it makes me sick
Oh honey baby I don't want ya
not even your sloppy kiss
Chorus 2 times
All over me like skin tight clothes
Following me where ever my ass goes
Give me a break can I have 1000 dollers
