It's hard to ignore  
The boy next door.  
He's such a dream,  
But I'm only fourteen.  
He asked me out to the picture show,  
My eyes said yes, but my Mom said No  
No Way!

Too young to date.  
I really need it,  
But I'm too young to date.  
I gotta have it,  
Cause I can't hardly wait.  
I really need it,  
But I'm too young to date.  
Got an older guy and his name is Michael,  
He just told me 'bout my menstrual cycle.  
Said the blood on his fingers wasn't from a cut!  
Maybe someday I'll be a teenage slut!  
Says he doesn't really want to marry,  
He just wants to pop my cherry!

Even though I'll get it in the end!
