Boom Boom Fire by D. Essex

Boom boom fire
Boom boom fire
Boom boom fire
Big desire!
Big explosion in your heart!
Boom boom fire
Boom boom fire
Boom boom fire
Burning higher!

People listen to me now!
(Ai,yai,yai,yai...)
People listen to me now,
(Ai,yai,yai,yai...)
Take me out tonight!
Pick this burning flower up and
People listen to my word,
(Ai,yai,yai,yai...)
Look out by my side!
Load me, Load me, Load my power

*Turn it able, make it able,
Surfin' forever!
Click enable, clock enable,
Starting together!
Say no never, play no never,
Don't care the weather!
Enter center, fast renter,
Morning after night!

Boom boom fire
Boom boom fire
Boom boom fire
Big desire!
(Ai,yai,yai,yai...)
Boom boom fire
Boom boom fire

Boom boom fire
Burning higher!

(Ai,yai,yai,yai...)

**Boom boom fire
Boom boom fire
Boom boom fire
Big desire!
Big explosion in your heart!
(Ai,yai,yai,yai...)
Boom boom fire
Boom boom fire
Boom boom fire
Burning higher!
It's a light to your life!

People listen to my word!
(Ai,yai,yai,yai...)
Form the place so high,
Disco like the danger...
People welcome to my world!
(Ai,yai,yai,yai...)
Flat line on the side!
Load me, Load me, Load my power

*repeat

***Boom boom fire
Boom boom fire
Boom boom fire
Big desire!
Big explosion in your heart!
(Woooo)
Boom boom fire
Boom boom fire
Boom boom fire
Burning higher!
It's a light to your life!

***repeat
