Ooooh, baby look at you
I bet your mama didn't teach you to dance the way you
do
Lord, what a body, girl, you've been blessed
I bet that ain't your Sunday dress
Ooooh, baby look at you

It's alright, it's alright
Can't be a good girl all your life
It's alright, it's alright
Now and then on a Saturday night
I got to say a little naughty is nice

Ohhh, you're puttin' on a show
Turnin' into the neon angel of rock & roll
I never dreamed when you walked in tonight
You had that much party bottled up inside
Ohhh, baby let it go

It's alright, it's alright
Can't be a good girl all your life
It's alright, it's alright
Now and then on a Saturday night
I got to say a little naughty is nice

You're feeling wild and crazy
A little more than that maybe
Can't think of one excuse
Why you shouldn't let your bad self loose

It's alright, it's alright
It's alright, it's alright
Now and then on a Saturday night
I got to say a little naughty is nice

It's alright, it's alright
It's alright, it's alright
Good girls like to have a good time too
It's alright, it's alright
Now and then on a Saturday night
I got to say a little naughty is nice
