"If You Only Knew"

It's nothing personal if I don't kiss you like you're
expecting
I'm juggling my emotions with one hand behind my
back
No walking on , like a tide,
I now you don't understand
It's just a mood that I go through sometimes

Chorus:
Sometimes I don't know what I'm feeling
I'm not myself, I'm feeling strange, I wish you could
help
But everything is backwards inside my brain
Oh yeah, yeah, yeah
You think that you know
But you have no idea
What kind a hell I've been going through
But it's not your fault, if you only knew!
You think that you know
But you have no idea
Don't blame yourself cause it's me not you
And it's no one's fault if you only knew!

Please, don't be offended
It's one of those days, I need some time
Give me a minute
Don't wanna take it out on you, I need some space!
If you felt what I feel, then you get it all the way
I can't give a reason, I know you're confused, cause I
am too!

Chorus:
Sometimes I don't know what I'm feeling
I'm not myself, I'm feeling strange, I wish you could
help
But everything is backwards inside my brain
Oh yeah, yeah, yeah
You think that you know
But you have no idea
What kind a hell I've been going through
But it's not your fault, if you only knew!

You think that you know
But you have no idea
Don't blame yourself cause it's me not you
And it's no one's fault if you only knew!
