If you really wanna know, read between tha lines  
My pen, my flow, my beat there my armes  
I wanna make history and leading this town  
I try to come up and people try to let me down  
Arabic acapella, I made exception that's english  
I'm ready for tha genocide and this is my wish  
I got tha power, for making that happen  
All hand's claping, danger stay rapping  
I got tha power, cuz I'm able to lead  
Warning Hip Hop, I'm gonna make you breath  
No team, no bullshit, I'm riding solo  
The beat is my wheel, not a low-low ( lowrider )
